**Limited Propagation Agreement Between The University of Georgia Research Foundation (UGARF), The International Licensee, Georgia Crop Improvement Association and The Purchaser For Golf Course Site Nursery**

We the undersigned agree to honor and uphold the terms and conditions herein for the purchase and propagation of \_\_\_\_\_ (U.S. Patent \_\_\_\_\_) variety of turfgrass planted directly on:

The site nursery at:

---

Name of golf course or approved leased property	Address
---	---------

On behalf and for the sole purpose of growing plant material to sod and sprig:

---

Name of golf course	Address
---------------------	---------

The aforementioned area(s) will be planted with stolons/sod purchased from

---

Turfgrass Farm	Address
----------------	---------

By the signing of this document the purchaser and Golf course Owner agrees: (1) to restrict the use of the turfgrass propagated on the site nursery named herein to the golf course(s) named herein; (2) to prohibit sale, barter, gifting, to other parties for the purpose of transplanting or propagation. (Requests for fairway and greens repair nurseries will be made in writing to the ITGAP administrator.

The purchaser agrees to plant stolons and sprigs imported under this agreement only on the site nursery named herein.

Any impropriety through the use of this licensed grass variety can result in punitive actions and/or fines by the producer, the GCIA and UGARF.
